STOKE AND RYE

Located down the hill in Avon's Westin Riverfront, Stoke and Rye is Richard Sandoval's latest offering. The menu is filled with approachable flavors with a bit of theatrical flair. Whether it's the tomahawk steak, skillet-baked rolls or smoky cocktails, sleight of hand runs rampant. The modern American grill specializes in traditional cooking, such as slow roasting in wood embers, braising, preserving and smoking techniques, all of which allow for contemporary flavor components to bring a pop of intrigue.
